

Relationship Between TTFW and YCD

- Young Community Developers, Inc. and Tetra Tech Foster Wheeler have been in active cooperation with one another for the last three years, each entity supporting the other. This has resulted in a symbiotic relationship in which everyone's needs are met. (Navy and Local Hiring)

Established Communications

- Person to person: direct line of communication between hiring and supervising personnel
- Communications with not only TTFW, but also local Restoration Advisory Board (RAB) for the Hunters Point Naval Shipyard.

Specific Communications

1. Scope of work
2. Established Timeline
3. Future projects, and need for new certifications

1. Ensure that training content is compatible for the current projects.
2. Prepare for opportunities, and ensure that clients will be available for the anticipated man power needs.
3. Provide training in new areas not covered in previous trainings.
(i.e. 80 hr. Hazardous Waste Worker, 80 hr. Gen Con, 40hr Asbestos, 40hr. Lead, and Microbial Remediation, and Radiation Worker)

Ensuring the continuance of the relationship

- Follow-up and tracking of graduates that become employees of TTFW: Phone conversations with supervisory staff regarding work performance of graduates, and improvements may need to be made in order to satisfy employer needs.

- Above all else: Open Honest Communication between all parties involved, has proved to be the foundation that is required for any of the aforementioned processes to work.
